OFFICE OF PETITIONS

ON PETITION

This decision concerns the March 26, 2004 petition under 37 CFR 1.137(b).

The petition is **DISMISSED**.

The application became abandoned on March 8, 2002 for failure to timely file a proper response to the December 7, 2001 non-final Office Action.

The instant petition, filed by Applicant, seeks to revive the application under 37 CFR 1.137(b).

A grantable petition under 37 CFR 1.137(b), in the instant case, must be accompanied by: (1) the required reply to the December 7, 2001 non-final Office Action; (2) the \$665 petition fee (small entity); and (3) a statement that the entire delay in filing the required reply from the due date until the filing of a grantable §1.137(b) petition was unintentional.

The petition lacks item (2), in that, a payment of only \$650 was submitted for paying the \$665 petition fee. The Office was unable to locate any authorization to charge the \$15 deficiency to a deposit account or a credit card. The petition is thus dismissed.

A renewed §1.137(b) petition must be:

- filed within **TWO MONTHS** of the mailing date of this decision;
- accompanied by the \$15 petition fee deficiency;**¹ and

¹ Any information already filed with the instant petition should not be re-submitted.
